

Dance Recital- What to expect

Friday April 29th- Dress Rehearsal (all dancers) and Set-up

Saturday April 30th 2pm Solos and Duets

Saturday April 30th 7pm Full Recital (all dancers)

Sunday May 1 2pm Full Recital (all dancers)

Friday Volunteers-

The trucks will go to the elementary school in the afternoon to pick up chairs.

Floor Crew will arrive at the high school at 3:10 to start moving and installing the dance floor on the stage.

All other volunteers will arrive at 3:45 after the gym floor cover is on and begin with setting up chairs, raffle tables and decorations.

Sound and lights crew will also need to get set up that night.

Friday Dancers-

Hair and make up is not necessary.

Dancers should arrive at 3:45 and get dressed for a 4pm start. The grand finale will be practiced first so all dancers are required at that time.

There will be designated change rooms in the classrooms at the school. Dancers will enter the stage from the back hallway.

Rehearsal is expected to go to about 8pm. Some dancers may be done earlier than others. Most families arrange supper at the school. The canteen may be open, we will have more info about this closer to the event.

Saturday 2pm Solos Duets

The parents of these dancers generally volunteer for door and raffle table and clean up after.

Saturday 7pm

Volunteers

Expect to arrive about 6pm.

Dancers

Plan to arrive between 6 and 6:30pm to get ready for 7pm show time. Rooms will be the same as at rehearsal.

The upper level of the gym is designated for moms and dancers to watch the show in between dances.

The canteen is expected to be open during recital.

There will be a silver collection, 50/50 and raffles.

A clean up crew will get the gym and rooms back in shape for Sunday's show.

Sunday May 1

Volunteers plan to arrive at 1pm

Dancers should plan to arrive between 1 and 1:30 to be ready for 2pm show.

Dressing rooms and everything else will be the same.

Clean up after the Sunday show must leave the gym and all classrooms, hallways, washrooms looking as clean as we found them. The more help the quicker it all gets done.
